September 2011

Dear Friends and Supporters,

What an exciting summer we had. As we traveled across our state we were blessed with 3 state senators and 2 state representatives coming to our services. Let's look at the highlights.

SPRING VALLEY, MINNESOTA

We spoke in the morning service and shared our theme verse, II Chronicles 7:14. What a receptive and on fire congregation. That evening we had the privileged of participating in Freedom Festival. 2,000 people were in attendance. We met Sen. Jeremy Miller from District 31 and we both got to address the crowd at that festival.

EDEN PRAIRIE, MINNESOTA

We spoke at the two morning services and got a chance to meet their senator, David Hann. He shared in the second service about the government shutdown and gave us a wonderful lesson on how state government works. Eden Prairie Assembly has a wonderful group of people who worship there.

CROOKSTON, MINNESOTA

We were in District 1 at the end of July. We spoke in the morning and evening services and our grandson, Tanner Fry, was with us for these services. What a joy to get your grand children involved in the Lord's work. In the evening service Rep. Deb Kiel shared her thoughts on the government shutdown and stayed after the service answering questions until almost sundown. Pastor Bill Humiston and his wife are doing a good job there in Crookston.

BIG LAKE, MINNESOTA

District 16's senator is David Brown. He shared from II Chronicles 7:14 that morning and I thought he was going to steal my sermon. He shared that no one had prayed in the state senate in

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land." II Chronicles 7:14

St. Paul "in Jesus name" for 38 years. Then this Spring a pastor prayed in Jesus name and one of state senators got very angry and confronted this pastor as he was about to leave the chamber. As a result of her outburst, pastors can now pray just as they do in their own churches. I was there every day of the session and had not heard this story of victory before.

AVOCA, MINNESOTA

On September 11th we spoke in Avoca at the Word of Faith Fellowship. We met many dear friends that we had known when we pastored in Slayton, MN from 2000-2004. Their state representative, Joe Schomacher District 23A, also shared that morning. He is the youngest legislator at the state capitol. He is 25 years old and a real joy.

LOOKING FORWARD

As we look back at the summer we are blessed by the many opportunities to share God's Word and by the many fine pastors and congregations that we have ministered to. Many of these senators and representatives are committed Christians who share their faith in Jesus with the congregations.

We are looking forward to continued ministry in the fall and winter. We are also looking forward to meeting more legislators so we can share the good news with them also.

FINANCES

Our budget is \$3,000 a month. Thank you to every one of you who support us on a monthly basis. We currently are between 40-50% funded. If just 15 individuals or churches would commit to \$100.00 a month we would be at our goal and could spend even more time working with our legislators.

Thank you for praying about becoming partners with us financially. A BIG thank you to our hundreds of prayer partners who pray for us daily! Non of this would have been possible without your steadfast prayers.

God Bless you,

Gary and Faith
II Chronicles 7:14

P.S. Many of you remember praying for Marie in the Washington D.C. area. She has been in the hospital since before Christmas 2010. She is doing so much better and wants to write a note of thanks to every person and congregation who prayed for her. If you have prayed for her please send your postal address to us and we will pass it along to Marie. You can send it to our St. Paul address or email it to us at: fry212003@yahoo.com. Thanks!
