**September 2010**

Dear Friends and Supporters,

We are blessed to be working at the state capital in St. Paul, Minnesota. Here is an article we wrote for the paper in Bagley:

### **FREEDOM OF SPEECH**

Dear Friends in Clearwater County,

During the month of July Faith attended a rally in St. Paul that the National Organization of marriage was hosting. There were many prominent pastors and priests who were the speakers that day. Their subject was on the topic of 'marriage - a lifelong union between one man and one woman'. Faith thought this would be a peaceful rally but she was wrong. Even before the rally started, people who believe that marriage should be between two men or two women began to show up. They were carrying signs that said, "God made us this way" and "God loves us too". This group of anti-marriage people proceeded to surround the National Organization of marriage and began to laugh at the speakers and mock them. Their entire intent was to disrupt the rally.

When she got home she shared in detail what happened and said that she felt threatened and was afraid that these people might cause bodily harm. Although there were a number of police present, nothing was done when these protestors took away the freedom of speech that the National Organization of marriage should have enjoyed. We wondered why the St. Paul Pioneer Press or the Star and Tribune never reported how disruptive and disrespectful these protestors were. It seems like the only ones with constitutional rights are the people that the mainstreet press agrees with. This was a sad day for freedom of speech in the state of Minnesota!

Sincerely,  
Gary and Faith Fry

Please pray for our legislators that they will honor the sanctity of marriage!

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land." II Chronicles 7:14

## **WEEKLY CHURCH SERVICES**

As we go to churches across our state and region we are noticing that we are doing more than just sharing about our new ministry - we are sharing about the power of Jesus and Jesus is showing up and touching people's hearts. We are seeing Jesus save and deliver people from sin and demonic forces. Jesus is touching people and meeting their physical needs. One man in Long Prairie came to the altar and shared that he was addicted to alcohol. He repented of his sins and began to lift his hands to heaven and suddenly he was baptized in the Holy Spirit and began to speak in other tongues. Our God is a powerful God!

## **HOW TO BECOME A NON-PROFIT**

There are 14 steps that an organization must take to become a non-profit. On September 15<sup>th</sup> we had our first meeting of the board of directors to talk about the corporate bylaws and incorporate as a nonprofit organization. We have completed the first 10 steps and now step 11 is filling out IRS form 1023 and form 8718. When we fill these out we must also include a filing fee of \$750.00 to the federal government. Please pray that the Lord would provide this money so we can complete step 11.

## **CANDIDATES IN MINNESOTA**

There are so many Christian men and women running for federal, state and judicial offices. We are truly thankful for them. Mor about the candidates next month.

## **PRAYER REQUESTS**

- 1) That God would give us favor with our legislators.
- 2) That God would anoint us as we minister in the various churches.
- 3) That God would continue to create a hunger within people's hearts for more of God.
- 4) Finances: Especially the \$750.00 fee to complete step 11.

God Bless,  
Gary and Faith
