Dear Friends and Supporters,

We woke up early this morning and began to thank God for who He is and for His mighty power! We thanked God even though it seemed like defeat the "marriage amendment" would be defeated. At 8:00 a.m. we turned on WCCO radio to listen to the news and lo and behold during the night the Minnesota House of Representatives had passed the "marriage amendment". Now it will appear on the ballot in November of 2012. THANK YOU to everyone who prayed that this important measure would pass. One young lady in the gallery on Friday knelt down at her seat and began to pray. After a few minutes she looked at us and said that we would only win the victory on our knees. God has given us a last-minute victory when defeat looked certain.

During the last few months I never knew that I could be this busy for the Lord: praying at committee meetings and hearings, praying during sessions of the Senate and the House, meeting house members and senators, making friends of both Democrats and Republicans, praying with many of our leaders, joining with other believers and praying right in the Capitol building.

I want to give God the glory for what He is doing because of your prayers and support. We never could have done it without you. You have prayed that God would give us strength and favor, and He has. You have supported us financially. Thank you for your generosity! We have seen what God can do when people join together, that God would heal our land.

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land." II Chronicles 7:14

In this session the legislators have had to make many tough decisions regarding Minnesota's budget, passed legislation to stop state funding for abortion, plus legislation that would stop abortion after 20 weeks because of the incredible pain that the baby would have, and now passed the constitutional amendment to define marriage as solely between a man and a woman.

The battle is far from over. We must pray for Governor Dayton that he would sign these bills that will reduce spending and will help save the lives of millions of babies.

As Paul said in I Thessalonians 5:25, "Brothers, pray for us..."

1. Pray for continued strength, anointing and favor.

2. Pray for our finances:

- We have lowered our goal from \$4,000 a month to \$3,000 a month.
- Right now we are receiving between \$1,000 - \$1,500 a month.

We are willing to sacrifice because we feel like God has called us to minister to our legislators. If you can support us at \$30.00, \$50.00 or \$100.00 a month it will help us to stay at our post.

LET'S KEEP PRAYING!!

Gary and Faith
