Dear Friends and Supporters,

Our Minnesota state government has been shut down since July 1st. We are thankful that God has sent us to the state capitol to be a part of the solution. We all know that only Jesus Christ can touch people's hearts and change their lives. Paul said, "Therefore if any man be in Christ he is a new creature, old things are passed away all things are become new." As we minister to our elected officials, it is our prayer that every one of them would ask Jesus to take over their lives.

PRAYER WARRIORS

On Thursday we joined 15-20 other people on the front steps of the capitol to pray for our state leaders. There was only one problem ~ it was raining very hard, so we moved to the tunnel under the front steps that cars use to drop off their passengers. It sort of reminds me of the catacombs. On this rainy day, there was a stiff breeze blowing through that tunnel and you could tell most of the prayer warriors were shivering, but they continued to call out to God that our leaders would have God's direction so the state shutdown would end.

FUTURE MINISTRY

God has opened a door for ministry at the state capitol. We would invite you to be a part of this open door. As we go through this door, would you come with us on this walk through your capitol? When you pray for us, you are walking with us. As you support us financially, you are walking with us. Thank you for your help so we can continue this walk with you through our capitol. As you support us in prayer and with your finances the message of Jesus Christ will go forward in the state capitol.

Co-Laborers with you,

Gary and Faith
